

Buche/Carmco stocks a wide range of natural gas, propane and electric residential and commercial water heaters available for same day shipping and customer pick up. Residential inventory 2 – 120 gallon available in natural gas, propane and electric. Our commercial inventory includes 65,000 through 725,000 BTU. We build commercial and residential electric units to specification. Storage Tanks 80-200 gallons. Indirect fired “side arm” 30 – 120 gallon.

#### **UL Bench**

We are also a certified UL Station allowing us to custom build residential and commercial electric water heaters to specific specifications. Please allow 48 Hours to complete.

#### **Parts & Minimum Order**

Parts are readily available for almost all water heaters. PJ Walter handles Bradford White Parts. \$25 minimum orders that ship from Denver. [pwalter@buchecarmco.com](mailto:pwalter@buchecarmco.com)
